

# add to the st. johns mural

Follow these steps  
and add your heart!

1

Read or listen to the  
book, available in the  
LFL or through the QR  
code.

2

Take a free birch  
round.

3

Paint the birch round  
with a heart. And add  
your name.

4

Place your finished  
round in the bucket  
on the picnic table.

5

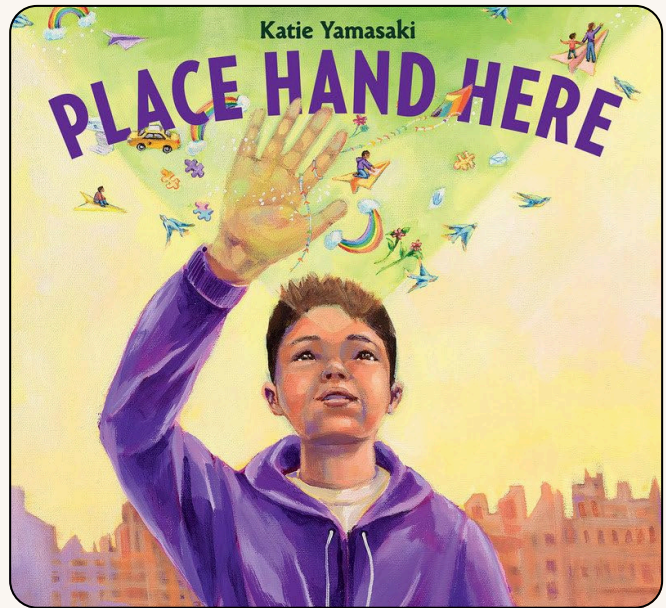

We will add your heart  
to the mural. Let's show  
our community that we  
stand together and love  
our neighbors!

# Place Hand Here Project

A sidewalk social justice art and reading project inspired by Katie Yamasaki's book *Place Hand Here*.

## THE STORY

The mural is a magical connection place; it invites everyone to place their hands on its giant yellow handprint, which symbolizes our interconnectedness across difference. Engaging with the mural and replicating it across the city cultivates knowledge, empathy, and solidarity, especially with those who have immigrated and those who have experienced incarceration.
